

## JUNIOR LEAGUE OF SPRINGFIELD, MO

Women building better communities®

### 2006-07 ANNUAL COMMUNITY REPORT

## The Junior League of Springfield Opens the Door to Its Signature Project

On June 25, 2007, Governor Matt Blunt and First Lady, Melanie Blunt joined The Junior League of Springfield and the leaders of the city of Springfield, to open the doors to Isabel's House, the Crisis Nursery of the Ozarks. A crisis nursery is a proven child abuse prevention tool and a recognized community need.

Isabel's House is a 20 bed residential facility that serves children ages birth to 12 years old. Isabel's House provides 24 hour a day, 7 day a week care to children whose families are experiencing a unique crisis. Families will receive respite, empowerment, support and training services. Admission to Isabel's House is voluntary and confidential. The average stay at Isabel's House ranges from 3 days to a maximum of 30 days. There is no charge to stay at Isabel's House where children are nurtured in a safe environment with experienced and trained staff.

Isabel's House, the Crisis Nursery of the Ozarks, is the signature project of The

Junior League of Springfield. The project was based on alarming child abuse and neglect rates in Greene County and in response to the community report card and various reports and summits exploring child welfare. Our community partners Burrell Behavioral Health, City of Springfield, Community Partnership of the Ozarks, CoxHealth, Missouri State University, St. John's Health System, Springfield-Greene County Park Board, and United Way have all played an integral part opening the doors to this much needed service in Springfield.

Members of the Junior League of Springfield continue to lead the capital campaign, operating campaign and endowment campaign for Isabel's House.

This year our members worked tirelessly to raise \$2.6 million in pledges. We are aggressively pursuing additional pledges and community support to meet our total campaign goal for Isabel's House of \$3.6 million.

Community patronage of JLS fundraisers is important to the success of Isabel's House. These fundraisers include *Sassafras!* and *Women Who Can Dish It Out* cookbooks, the Plaid Door Resale Boutique, Celebrate the Season holiday event, Charity Ball, and Charity Horse Show. The support of our city, state, and federal governments, coupled with private donations and awarded grants, helps ensure this safehaven for children in our community.

With your help, we can protect our community's greatest natural resource – our children. Your continued support and donation of money, time or expertise will help to break the cycle of abuse in our community.

#### JUNIOR LEAGUE MISSION STATEMENT

The Junior League of Springfield, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

## PITTER PAT

The Junior League of Springfield's First Annual Pitter Pat 5K Run/Walk took place on Saturday, March 17. Although it was freezing, excitement was in the air as 291 runners crossed the finish line in front of Fire Station #8, next door to Isabel's House. This New Member leadership development project successfully raised community awareness of Isabel's House. Additionally, the New Members surpassed project goals by raising over \$5,000.

Awards were handed out at the end of the race. Included in those awards were overall female winner, Amy Pinegar; most participants from one family, the Meek family; and the most Irish, Susie Turner.

Save the date for the next Pitter Pat 5K Run/Walk to be held Saturday, March 15, 2008
