Donated Property Receipt

We gratefully acknowledge receipt of the articles listed below to the Junior League of Springfield's Plaid Door Resale Boutique. **No goods or services were provided in consideration for the contribution.** Contributions of goods are deductible for income tax purposes as allowed by the provisions of the IRS code. The IRS requires you, the donor, to place a fair market value on your donation. Fair market value is the price that the property would sell for on the open market. The price that buyers of resale items actually pay in resale clothing stores is an indication of the fair market value. Used clothing and other household items are usually worth far less than the price you paid for them. To assist you in evaluating the fair market value of your donated goods, we have attached a sample of prices currently being used in the Plaid Door. This list is only meant to inform and does not necessarily represent item value.
