2010-11 ANNUAL COMMUNITY REPORT

GRANTMAKERS' CHALLENGE FOR CHILDREN

JLS committed over \$750,000 in the past 5 years

The Junior League of Springfield (JLS) is pleased to announce details regarding our participation in the Grantmakers' Challenge for Children. During the course of this five-year campaign through the Community Foundation of the Ozarks, JLS granted and committed over \$750,000. More than \$660,000 of those dollars were designated to support our signature project, Isabel's House, the Crisis Nursery of the Ozarks.

It has been a privilege to participate in this vital process of community collaboration as we all put forth tireless effort to make a positive impact with our most precious citizens, the children of

this community. The outstanding accomplishments of the Grantmakers' Challenge for Children will undoubtedly make a lasting difference for generations to come.

The mission of Isabel's House is to provide immediate refuge for children ages birth to 12 whose families are in crisis. These situations may include loss of a home, drug or alcohol rehabilitation,

loss of utilities, emergency hospital stays and more.

When a home becomes unsafe, the children of our community deserve a welcoming haven. By partnering with families and the community, Isabel's House will strengthen families and prevent child abuse and neglect.

Since opening in June 2007, more than 1,200 children, representing over 600 families, have been served; and 91% of families have reported a reduction in stress after utilizing Isabel's House. The Junior League of Springfield is proud to be part of this endeavor that has touched so many lives.

JUNIOR LEAGUE MISSION STATEMENT

The Junior League of Springfield, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

WOMEN BUILDING BETTER COMMUNITIES

MESSAGE FROM THE PRESIDENT

It has been an honor and pleasure to serve as our League's president. During the recent JLS annual meeting, we proudly recognized several amazing women as award recipients. We also celebrated the accomplishments of all our committees, which keep our mission and community moving forward.

Since 1959, JLS has contributed over \$4.6 million and 1.3 million volunteer service hours to the Springfield community. We truly are an organization of women committed to building a better community, leveraging all of the support provided through our trained volunteers to make a positive, sustainable difference for generations to come.

I hope you enjoy reading this annual report highlighting the 2010–2011 JLS year. I would like to express my gratitude for the privilege of working with so many wonderful members, donors and community partners. Thank you for generously sharing your invaluable gifts of time, talents and treasures.

Sincerely,

Lynn E. Tynes
